## 1708 Gallery's InLight Richmond 2018 Call for Proposals

Deadline to apply: June 30, 2018

Richmond - 1708 Gallery invites national and international artists working in all media and disciplines to submit proposals for the 11th annual **InLight Richmond**. Proposals for InLight 2018 should involve, be inspired by, investigate, or interpret themes of light, from light as medium to light as concept.

InLight 2018 will take place on **Friday, November 16, 2018** from 7PM to Midnight **AND** on **Saturday, November 17, 2018**, from 7pm to 10PM, at the Virginia Museum of Fine Arts.

InLight is a public exhibition of contemporary light-based artworks—videos and projections, multi-media and interactive projects, sculptures, installations, performances.

Occurring during 1708 Gallery's 40th Anniversary Year, **InLight 2018** will focus on ideas of Community. Recent editorials have described two Richmonds. "RVA" encompasses revitalization, creativity and growth. "Richmond" is divided, challenged, and struggling. Artists are invited to consider this dynamic and to imagine an ideal community—ONE Richmond. While existing work will be considered, 1708 Gallery encourages artists to propose projects that consider this theme.

**DEADLINE TO APPLY: Midnight (EST), Saturday, June 30, 2018**

Potential sites for installations and performances include pathways, façades and other walls, sidewalks, green spaces, trees, and more. In addition, a limited number of interior sites MAY be available. Artists may propose a specific site for both pre-existing and site-responsive works. Please indicate if your work is site-specific on your entry form. 1708 Gallery reserves the right to make final site assignments.

The juror for InLight Richmond 2018 is Kimberli Gant, PhD, the McKinnon Curator of Modern & Contemporary Art at the Chrysler Museum in Norfolk, VA.
